
2016 KANSAS CITY CORPORATE CHALLENGE

DISC GOLF

DATES / TIMES: Saturday & Sunday, April 23 & 24, 2016

Disc Golf schedules will be available on the KCCC website on April 1st by 5:00 p.m. (www.kccorporatechallenge.com).

LOCATION: Swope Park Disc Golf Course
7000 Elmwood Ave. (NE Corner of Gregory Blvd. and Elmwood Ave.)
Kansas City, MO 64134

- Companies may enter one 2-man team and one 2-woman team in the Disc Golf Tournament. The format will be a two-person scramble. Companies will compete against teams from their own division. In the event that one member of the two-person team is unable to participate, the other team member will be allowed to participate solo and will only be allowed to throw 1 disc.
- All players must check-in prior to their start time.
- If one partner is there, they can start. **If both partners are late and miss the start they forfeit out of the tournament.**
- **There are no green fees and no golf carts available.**
- **Players must supply their own discs. (discs must be PDGA approved) Please note that there are different types of discs for different types of shots (driver, approach and putter). There is not a limit on the number of discs you can carry.**
- No handicaps. This is a scratch tournament.
- No dogs please.
- Kansas City Corporate Challenge follows Professional Disc Golf Association (PDGA) Rules
- Caddies and spectators are allowed on the course. Caddies must follow PDGA guidelines for caddies, and spectators must be courteous and respectful of the players, and be aware of their surroundings (the fairways at Swope Park are close together...errant shots do occasionally find their way onto other fairways).
- To expedite play, triple bogey (6) is the maximum score on each hole. Once your team has reached triple bogey, pick up and go to next tee, and record a "6" for the hole. This is an attempt to help speed up play. Playing partners please help police this rule.
- For a course overview, please visit <http://www.kcfdc.org/swope.html>
- Please refer to the KCCC Point System for information on points for Disc Golf.

KCCC DISC GOLF (continued)

➤ Other course rules:

- ✓ **Out-of-Bounds:** If your throw goes out of bounds, you may either play from the spot where your disc was last in bounds, or re-throw from the previous spot, with a one-throw penalty. Out of bounds areas at Swope include: parking lots, streets, bathrooms, the clubhouse area in the center of the course, and over the fence into the parks maintenance area. It also will include in the woods on the left side on hole #13 (area will be marked with a painted line or rope). Note: Inside the areas on the course marked by the limestone boulders are NOT out-of-bounds.
- ✓ **Lost Disc:** If you lose your thrown disc, you have 3 minutes to look for it, and everyone in your playing group (even your opponents!) are required to help look for it. If you cannot find your disc after 3 minutes have lapsed, you incur a one-throw penalty, and must re-throw from the previous spot.
- ✓ **Holing Out:** You must hole out every shot. In order to hole out, your disc must come to rest in the chains of the target, or in the lower entrapment area (sometimes call the basket or the tray). If your disc comes to rest on top of the chain rack, you have not holed out. Please remember that 6 is your maximum score per hole.
- ✓ **Disc suspended above the ground:** If your disc becomes lodged in a tree, or is otherwise suspended above ground, you must play it on the ground directly below where it came to rest, with no penalty.
- ✓ **Mandatory Obstacles:** Games captain will explain all mandatory obstacles prior to the start of the round at the 1st tee. If you miss the mandatory, you must play your next shot from the drop zone with a one throw penalty.
- ✓ **Marker Discs:** Players must have a marker disc, or a disc not used in play that is approved by tournament director.
- ✓ **Courtesy:** Please be courteous of other players and spectators on the course.
