- **Participants will pay for shoe rental including tax, should the center require, on the day of competition.**
- Coed rules are the same as Men's and Women's.
- **No handicapping allowed; all games rolled are scratch games.**
- Three game "sets" will constitute the total scores for team competition.
- The best three-game series, by an individual, will determine Individual Winners (by Division).
- Please refer to the KCCC Point System for information on points for Bowling.
- If a bowler arrives after his/her team has begun the competition, they will be allowed to start bowling at the frame when they arrive. No bowlers may bowl missed frames due to late arrival.
- Companies must submit their **team's** commitment to participate in each men's, women's, and co-ed sessions by March 28. No teams will be added after this deadline.
- **To expedite the process of entering changes into the computer on the day of the event, we ask Company Coordinators or Event Coordinators to update your final Bowling Roster by June 1, at 5:00 pm.** Challenge Manager puts those bowlers in the order you enter them. Make sure you enter the participants for all Bowling Teams (Men's, Women's and Co-ed) in the order in which you want them to bowl (alternate men & women on your co-ed roster). The KCCC office will go back into Challenge Manager at 5:00 pm on June 1 and download all company bowling rosters.
