### The Game

- No contact allowed. NO BLOCKING
- A coin toss determines first possession.
- Ball must be on the ground at the snap. Any incomplete snap shall result in a dead ball. Snaps between the legs or to the side will be allowed.
- The offensive team takes possession of the ball at their 5-yard line and has three (3) plays to cross mid-field. Once a team crosses mid-field, they have three (3) plays to score a touchdown.
- If the offensive team fails to cross mid-field or score, possession of the ball changes and the opposite team starts their drive from their 5-yard line.
- All possession changes, except interceptions, start on the offensive team's 5-yard line.
- Games will consist of two 12 minutes halves with a two-minute halftime. Teams will change sides after the first half, and possession changes.
- Each time the ball is spotted a team has 25 seconds to snap the ball. Teams will receive one warning before a delay of game penalty is enforced.

## **Attire**

- Cleats are allowed, except for metal spikes.
- Shirts must be tucked in.
- Pants or shorts with pockets or belt loops are prohibited.
- It is suggested that all players wear protective mouthpieces.
- No jewelry including body piercings.

## **Scoring**

- Games are played to one team scoring 28 points or 24 minutes (two twelve minute halves), whichever comes first.
- Touchdown = 6 points, Extra Point= 1(5 yards out); 2 (12 yards out), Safety = 2 points.

## **Time-Outs**

- Each team has one-60 second time out per game, in which the clock stops.

## **Rushing the Quarterback**

- All players that rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Any number of players can rush the QB.
- Players not rushing the QB may defend the line of scrimmage.
- Jumping up to block the pass is allowed, but if any contact is made with the quarterback during the jump or upon landing, a penalty will be assessed.
- Once the ball has been handed off the 7 yard rule is no longer in effect and all defenders are eligible to rush.
- A special marker, or the referee, will designate 7 yards from the line of scrimmage.

## **Running**

- The quarterback CANNOT run the ball, even if the quarterback is a female.
- Only direct hand-offs behind the line of scrimmage are legal. No laterals or pitches of any kind. Offense may use multiple hand offs.
- The player who takes the hand-off can throw the ball as long as he does not pass the line of scrimmage.
- “No Running Zones” are located 5 yards before midfield and 5 yards before the end zone in each offensive direction.
- “No Running Zones” are designated to avoid short yardage power situations.
- The ball is spotted where the ball carriers belt is when the flag is pulled, not where the ball is. Ball and flags must break the plane for a 1<sup>st</sup> down and touchdown.
- A male player may not advance the ball across the line of scrimmage.
- Spinning is allowed, but players cannot leave their feet to avoid a defensive player (no diving with the ball).

## **Passing**

- All passes must be forward and received beyond the line of scrimmage.
- Shovel passes are allowed but must be received beyond the line of scrimmage.
- QB has a 7-second pass clock. If a pass is not thrown within the 7 seconds, play is dead, loss of down, ball returns to the line of scrimmage. Once the ball is handed off the 7-second rule is no longer in effect.

## **Receiving**

- All players are eligible to receive passes (including the QB if the ball has been handed off behind the line of scrimmage).
- Only one player is allowed in motion at a time before the snap, that player may not be moving towards the line of scrimmage at the time of the snap.
- Players must have at least one foot in bounds when making a catch.

## **Dead Balls**

- Play is ruled “DEAD” when:
  - ✓ Offensive player’s flag is pulled
  - ✓ Ball carrier steps out of bounds
  - ✓ Touchdown is scored
  - ✓ At the point of interception (interception returns are not allowed)
  - ✓ Ball carrier’s knee, hand or the ball hits the ground
  - ✓ Ball carrier’s flag falls out.
  - ✓ Receivers flag falls out (play is dead at the point of reception).
- There are no fumbles. Ball is spotted where it hits the ground; anytime the ball touches the ground it is dead.

## **Sportsmanship**

- No tackling, elbowing, cheap shots, blocking or any unsportsmanlike conduct will be allowed.
- If the field monitors or referee witnesses any acts of tackling, elbowing, cheap shots, blocking, or any unsportsmanlike act, the game will be stopped and the player will be ejected from the game. Tournament directors may decide to eject players from the tournament. FOUL PLAY WILL NOT BE TOLERATED.

## **Coed Considerations**

- Plays in Coed Flag Football are designated as either an "Open Play" or a "Closed Play".
- **Open Play** - In an open play, the offensive team may pass the ball from any player (male or female) to any player (male or female) without penalty. A female player is still the only player allowed to advance the ball across the line-of-scrimmage by rushing.
- **Closed Play** - in a closed play the offensive player must have a female player involved in the transaction of the ball beyond the line of scrimmage. A female must be one of these three individuals: the passer, the receiver, or the non-quarterback rusher. Examples of Closed Plays:
  - ✓ A completed pass from a male quarterback to a female receiver (must be beyond the line of scrimmage).
  - ✓ A completed pass from a female quarterback to a male receiver (must be beyond the line of scrimmage).
  - ✓ Quarterback hand off to female running back, she must advance beyond the line of scrimmage.
- Open/Closed Plays - The open/closed determination is set by the previous play's participants. If the previous play involves a female in a completed successful play (as a passer, receiver, or rusher) then the next play is Open. If the previous play involves a male passer AND male receiver in a completed successful play then the next play is Closed.
- If an open play is unsuccessful (did not advance ball beyond the line of scrimmage), the next play is still open.
- If a closed play is unsuccessful (did not advance ball beyond the line of scrimmage), the next play is still closed
- The referee will designate the status of each play once he/she spots the football and marks ready for play.

## **Overtime Procedures**

- If the score is tied at the end of 24 minutes, teams move directly into overtime.
- Coin toss determines order of possession.
- Procedure for Overtime (except Championship and "If Necessary" Games-see below)
  - ✓ Each team receives one (1) play from the 5-yard line going towards the opposite end zone.
  - ✓ The team gaining the most yards on the one play is declared the winner and awarded one (1) additional point.
  - ✓ Negative yardage on a play is better than an interception, but not an incomplete pass.
  - ✓ Defensive penalties may be accepted resulting in 10 yards and the option to run an additional play if necessary. Result of following play and the 10 yards from the penalty count towards the overall possession's yardage. A penalty on the offense is deemed as negative 10 yards and loss of down.
- Procedure for Championship and "If" Necessary Games
  - ✓ Each team will get one possession per overtime period. Possession can be ended on:
    - ✓ Loss of possession on downs
    - ✓ Interception
    - ✓ Successful touchdown
  - ✓ Each team will get possession of the ball at the midline, 1<sup>st</sup> & Goal
  - ✓ Each team will receive 3 plays to score a touchdown. If the team scores, they will then attempt a 2-point conversion.
  - ✓ If the teams remain tied at the end of an overtime period, they will play an additional overtime period.
  - ✓ The order of possession will alternate with each overtime (the team that has the ball 1<sup>st</sup> in Overtime 1 will have the ball 2<sup>nd</sup> in Overtime 2).
  - ✓ All extra point conversions will be 2 points from the 12 yard mark.

## **Penalties**

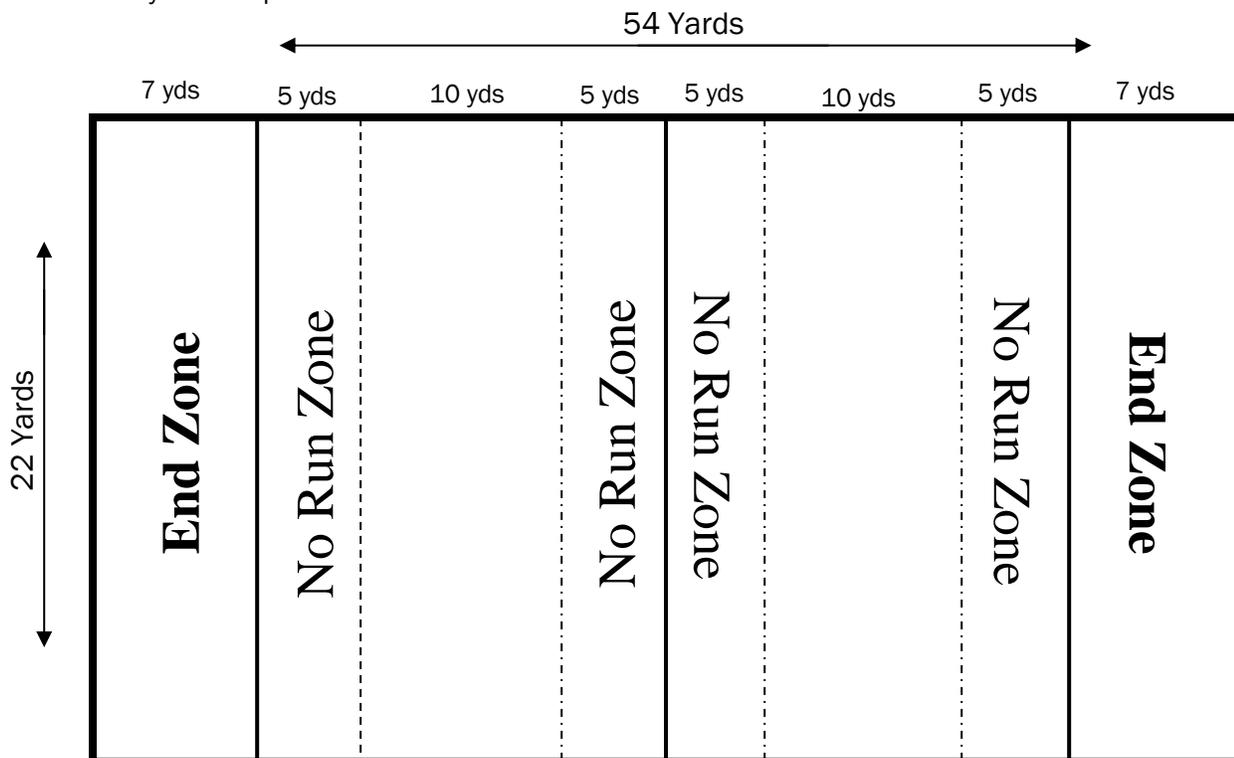

- All penalties will be called by the referee and may be declined.
- All penalties are assessed from the original line of scrimmage.
- **DEFENSE:**
  - Offsides
    - ✓ Interference
    - ✓ Illegal Contact (holding, bump and run, blocking, jumping to defend pass, etc)
    - ✓ Illegal Flag Pull (before receiver has ball)
    - ✓ Illegal Rushing (start rush from inside 7 yard marker)
    - ✓ Unsportsmanlike Conduct

# KCCC FLAG FOOTBALL (continued)

- All defensive penalties are 10 yards (from the line of scrimmage) and automatic 1<sup>st</sup> down. All defensive penalties will result in the next play being “open”.
- OFFENSE:
  - ✓ Illegal Motion (more than 1 person moving, false start, motion, etc.)
  - ✓ Illegal Forward Pass (pass received behind the line of scrimmage)
  - ✓ Flag Guarding
  - ✓ Jumping by the ball carrier (any player with possession of the ball cannot jump. Ball will be spotted at the spot of the jump)
  - ✓ Delay of Game - clock will stop/ 10 yards and loss of down
  - ✓ Offensive Pass Interference (illegal pick play, receiver pushing defender)
  - ✓ Unsportsmanlike Conduct
- All offensive penalties will result in the following play being the same “open/closed” determination as the immediately preceding penalized play
- All offensive penalties are 10 yards (from the line of scrimmage) and loss of down.
- Within 10 yards of goal, ball is placed ½ the distance to the goal.
- Referees determine incidental contact, which may result from normal play.
- Only the team captain may ask the referee questions.
- Games cannot end on a defensive penalty, unless the offense declines it.

## THE FIELD

- Field dimensions: 54 yards long by 22 yards wide.
- End Zone: 7 yards deep.
