- Companies may enter one coed team into the event (with a minimum of three women).
- A two thousand pound weight limit, per team, will apply. All members of a team will weigh-in on first open scale, as a team. The weigh-in will take place the day before the actual event (see schedule).
- In the event of bad weather, please use the KCCC rain-out number 913-312-8843 or check the KCCC website (www.kccorporatechallenge.com).
- The only articles of clothing that can be removed during weigh-in are shoes and shirts (women must wear sports bras if removing their shirt). Please have your participants wear shorts and t-shirts to the weigh-in to speed up the process.
- Team members will be required to wear a wristband after the weigh-in and through the duration of the event.
- A maximum of two participants per company may weigh-in in advance. Their name and weight must be typed on company letterhead, notarized, and brought to the team weigh-in. Photo I.D. must be brought by these participants to the event check-in on Saturday to receive their wrist bands.
- No spikes, cleats, etc. Tennis shoes, aqua socks, or bare feet only. An inspection of all team member shoes will take place before each pull. Those participants found to be wearing illegal shoes will not be allowed to compete. Gloves are allowed and recommended. Pets not allowed on beach.
- The Tug of War rope is 120' in length and 1 ¼" in width.
- Participants in the Tug may use feet or hands only to gain foothold, no tools. They will not be allowed extensive time to dig in and get set. There will be a one-minute time limit per tug. The winning team will pull another team two feet across the line. If no team has been pulled over the line at the end of the one-minute time limit, the tug will go to the team who has the advantage at that time.
- Please ask that your participants have an ID with them at all KCCC events. Participants who are asked and are not able to produce an ID at an Event will be forfeited from the event. Please see the KCCC Protest Policy for more information on protests and disqualifications.
- Please refer to the KCCC Point System for information on points for Tug of War.
