KCCC is taking several steps to enhance the health and safety of the event for participants, volunteers, and staff:

- **Masks:** all athletes, volunteers, and staff will be required to wear masks at all times during event, unless facility guidelines specify otherwise.
- **Physical Distancing:** maintain at least a 6-foot distance between each other.
- **Cleaning and Disinfecting:** extra handwashing and hand sanitizer stations will be available at the event.
- **Facility Guidelines:** KCCC events will adhere to all safety protocols required at each of our host facilities.
- **Spectators:** To adhere to all facility capacity limits, maintain proper social distancing, and limit contact tracing, NO spectators will be allowed at the event.
- If anyone is experiencing symptoms consistent with COVID-19, they will abstain from the event (including but not limited to: fever, chills, cough, sore throat, and shortness of breath).

- Each company may enter one team (3 male and 3 female) in the Soccer Penalty Kick Tournament. Teams will compete only against companies in their division.
- **A team representative must check-in at event, no less than 30 minutes prior to their scheduled game time and confirm enough participants to play. Team rosters will not be required, but only players who are registered for KCCC and who have signed the KCCC waiver will be eligible. Teams will randomly be checked for player eligibility. Make sure each participant has a photo ID available at game time in the event of a random check. Failure to show IDs at a random check will result in a forfeit, as well as any point penalties resulting from a forfeit.**
- Teams will compete in a double elimination penalty kick bracket. Each team participant will have one kick against the opposing team's goalie to try and score a goal. The team that scores the most goals against their opponent will move on in the bracket.
- Shots will be taken from the penalty mark 12 yards from the goal. An orange cone will mark the point to kick from.
- In case of a tie each team will submit 1 male and 1 female kicker in a sudden death shootout. Each kicker will get 1 kick. In case of a second tie, teams will submit 1 new male and female kicker and the distance to kick from will increase. This distance will be noted by a yellow cone. This will continue until someone is the winner. Teams must use a different goalkeeper in each additional sudden death round.

- **Scheduled game time is forfeit time.** Teams must be at their field before their scheduled game time.
- Soccer cleats or athletic shoes are recommended. No jewelry including body piercings.
- Baseball / Softball cleats are not allowed. Multi-purpose shoes with toe cleats are not allowed.
- Please refer to the KCCC Point System for information on points for Soccer.
- Please ask that your participants have their ID with them at all KCCC events. For more information on protests/use of illegal players, please see the KCCC Protest Policy.
- In the event of bad weather, please use the KCCC rain-out number 913-686-6030 ext.15 or check the KCCC website (www.kccorporatechallenge.com).
