- **Physical Distancing:** maintain at least a 6-foot distance between each other.
- **Cleaning and Disinfecting:** extra handwashing and hand sanitizer stations will be available at the event.
- **Facility Guidelines:** KCCC events will adhere to all safety protocols required at each of our host facilities.
- **Spectators:** To adhere to all facility capacity limits, maintain proper social distancing, and limit contact tracing, NO spectators will be allowed at the event.
- If anyone is experiencing symptoms consistent with COVID-19, they will abstain from the event (including but not limited to: fever, chills, cough, sore throat, and shortness of breath).

- Each company may enter one male and one female participant in the individual swimming events, excluding the freestyle which may have two females and two males in each of the following age groups: 19-29, 30-39, 40-49, 50-59, and 60+.
- Entrants in the individual events will be placed in the appropriate 5-year age group **according to their age as of December 31, 2021** and scored in the following age groups: 19-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, and 60-64, 65+.

- **Company coordinators will be responsible for collecting entries and submitting those via the KCCC spreadsheet to the KCCC office no later than 10am on 6/22/21. No late entries will be accepted.**
- This is a 25-yard pool. Pool warm-ups will be allowed from 5-5:30pm, prior to the start of the first event each night, and between events if time allows. A 15-minute break has been created in the event schedule to allow for an additional warm up time each night. Please see schedule for details. Practice starts are allowed off the starting blocks ONLY in lanes 1 and 2.
- Starting blocks will be used in the KCCC Swim Meet. However, starts from the side of the pool or in-water starts are allowed.
- Flyover starts will be conducted in the KCCC Swim Meet, meaning once you have completed your event you will be asked to remain IN the water until the next athlete has begun their swim.

- United States Masters Swimming rules will apply in all events. Standard recreational swimwear is permitted for the meet. Additionally, racing / competition swimwear will be allowed as long as it meets current FINA-approved guidelines. Visit www.fina.org if you have questions regarding whether or not your swimwear will be suitable for KCCC events.
- Due to the large number of participants in this event, only competitors are allowed in the pool, on the pool deck, and on the bleachers. No spectators.
