

# Spaces are 24' x 24'

Tents can be up to 20' wide.  
Length is dependent upon number of spaces reserved.

Company Names in Green have music.

Tailgate spaces – Beginning in 2025, JCPRD is discontinuing the use of weight bearing inflatables or any inflatable where the participant climbs into the inflatable and is supported by air. These will not be allowed at the Truman Sports Complex Kick-Off party in 2025. Examples of these would include bounce houses, jousting pits, moonwalks, and obstacle courses. This decision does not include other inflatables that do not have weight bearing components. So if you are thinking about any type of inflatable for your tailgate space contact the office before you order.
