9. Participation Points

- The KCCC will award participation points for all competitors in the Games. To receive participation points, competitors must complete the event as designed (track events may not be walked, they must be run; swimming strokes must adhere to Masters’ Swimming Guidelines; disqualifications of any kind will constitute non-participation). Participants will receive one participation point for each event in which they compete, with the following exception: Competitors in Track & Field and Swimming may receive a maximum of one participation point for all individual Track & Field events and a maximum of one participation point for all individual Swimming events. However, Track & Field or Swimming participants may receive additional points if they compete on relay teams.
- Participation points awarded will be determined by the number of participants in that event

- All Participation Points will be added to your company’s *overall* KCCC Total.

10. Penalty Points

- KCCC will assess Penalty Points to those companies whose competitors do not show up for bracketed events (and golf). It certainly diminishes the spirit of the Games when a team or individual travels from across the city to participate in one of these events, only to have their opponent forfeit. Also, KCCC is spending valuable funds on empty field or court space in these instances. Penalty points will be assessed only for the following events:

Event	Penalty Points	Event	Penalty Points
Softball	12	Disc Golf – Women’s	4
Kickball	12	Cornhole	4
Flag Football	10	Pickleball – Men’s	4

Golf – Men’s	4	Pool – Women’s	2
Golf – Women’s	4	Table Tennis – Men’s Singles	2
Disc Golf – Men’s	4	Table Tennis - Women’s Singles	2

- In the following tournaments, Darts, Flag Football, Softball, Kickball, Cornhole, 3on3 Basketball, and 4v4 Soccer, teams forfeiting their first game in the tournament are forfeited out of the tournament, and penalty points will be assessed. If a team forfeits a game after having already played a game in any of these tournaments, that forfeit will be counted as a loss. In the Volleyball Tournament, teams forfeiting ANY games in pool play are forfeited out of the tournament. If a team in the Volleyball Tournament advances past pool play and forfeits a game in the Single-Elimination Bracket Play, that forfeit will be counted as a loss.
- A 25-point penalty will be assessed to any company found in violation of the Employee Eligibility Rules. Any participant who is not on your company’s participation list, who competes in the KCCC will be eliminated from competition, the company will be forfeited from that event, and the company will receive a 25-point deduction from their *overall* KCCC total. Please be certain that all your participants meet our eligibility requirements.

11. Volunteer Points

- **One point will be awarded for each volunteer who assists with the Games.** Your company will be assigned a specific number of volunteers to an event and that Volunteer Assignment will be released on the KCCC website on Friday, March 24. The number of volunteers required will vary by division but will remain constant within divisions. Each company will have the opportunity to score equal volunteer points with other companies in their division. Volunteers will be required to sign a waiver when they report to their assigned event. These waiver forms are then used to accumulate volunteer points. Please stress to your volunteers the importance of reporting to a Game Captain when they arrive to an event and to sign the waiver form.
- **Volunteer Penalty Points: One point will be deducted for each volunteer who does not show up for their assigned event. Volunteer Points will be awarded at the conclusion of the Games.**

12. Points Awarded in the Event of a Tie

- In double-elimination tournaments, 5th and 6th place are not determined, nor are 7th and 8th place. 5th and 6th place teams will be awarded a tie and will receive $\frac{1}{2}$ the total of 5th plus 6th place points. 7th and 8th place teams will also be awarded a tie and will receive $\frac{1}{2}$ the total of 7th plus 8th place points.
- In single elimination tournaments, 5th through 8th place is not determined. Each of these teams will receive $\frac{1}{4}$ the total of 5th through 8th place points.
- In the occurrence of a tie in any non-bracketed event, individuals or teams will equally split the total points available for the places they occupy in the final results of that event.
- Points for all events will be accumulated during the course of the Games. Volunteer Points will be accumulated at the end of the Games. Based on company point totals at the conclusion of the Games, awards will be presented to the top eight companies in each Division at the Kansas City Corporate Challenge Closing Celebration in July.
