FALL SERIES

SEPTEMBER 8-28, 2024

The Kansas City Corporate Challenge Board of Directors is excited to announce the 4th annual Fall Series and encourage you and your company to join us! This event will kick-off on Sunday, September 8th and conclude on Saturday, September 28th. This is a great way for your associates, friends, and family to engage in some friendly and healthy competition this fall.

If you **STAY READY**,
you don't have to **GET READY!**

The Fall Series is open to all KC metro companies regardless of participation in the 2024 KCCC. The following pages include information about each event, including slots permitted per event. If your team were to fill each permitted slot of every event, over 60 participants can join in the fun! If your company has more than 60 interested participants, you are welcome to register another team and can still compete on behalf of your company — there is no limit to the number of teams your company can register.

This event **WILL SELL OUT** at 30 companies (minimum 20) and divisions will be established at random, not based on company size. Teams will have the opportunity to compete with companies they'd otherwise not face during the regular KCCC season. Extraordinary matchups and fierce competition will ensue!

Placements of gold, silver, or bronze will be awarded to the top three finishers within each division at every event with the exception of the 5K. Placements for the 5K will be awarded to the top three finishers in each of the following age groups, by gender: 19-29, 30-39, 40-49, 50-59, 60-69, 70+

The Kansas City Corporate Challenge reserves the right to cancel and/or modify events to ensure the health and safety of our participants.
