

Now available for Spring 2019!

We have openings on Wednesdays or Thursdays late afternoon/early evening for Corporate Challenge participants to host qualifiers, practices and even a league if we can generate enough interest. This is a unique opportunity as we have had every weekday evening filled with leagues for 25 plus years! Contact Mike Norman, PGA Professional and Tournament/League Coordinator for more information at 816-761-9445 or mnorman@jacksongov.org
