Attainable Housing in Lenexa

Habitat for Humanity of Kansas City is moving forward on a proposed project that includes the potential purchase of approximately 17 acres of City-owned property on the east side of Clare Road at 87th Street in western Lenexa.

The plan includes 50 single-family homes, connected green space, and direct access to Lenexa's trail system.

Community Impact Award

Community Impact Award

Your Team. Your Impact. Your City.

The Habitat KC Community Impact Challenge is a friendly volunteer competition where KCCC teams can compete to be awarded the **Community Impact Award**.

Through volunteering with Habitat KC, participants can accumulate hours for their organization. At the end of the season, the organization with the highest total volunteer hours will take home the Community Impact Award.
