Please have your players download the Scoreholio app to their phone

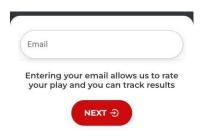

Once you download the app, app will open up to this window

You will want to create a player's profile

Please make sure you use an email that you can receive email verification on your phone

Please make sure to enter your full first and last name.

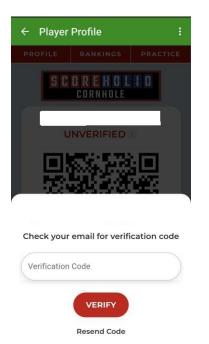

| First Name | 9 | |
|------------|------------------|-----------------------------|
| Last Name | 2 | |
| Email — | | |
| | | |
| Entering y | /our email allov | /s us to rat ack results |

Please make sure to hit "Send Verification Email"

If you don't see the verification email right away in your inbox please make sure you check the spam/junk folder

Enter your verification code and hit "Verify"

Once you have completed the verification process, return to the main menu and select "Find Tournament"

The app will prompt you to allow location permissions. Please select to allow while using the app
